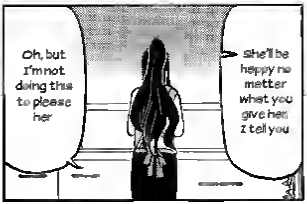
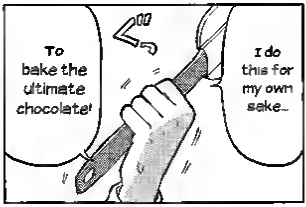
SHIRAMINE AYAKA. THE WINTER OF HER JUNIOR YEAR. FEBRUARY 13TH
Say, Ayaka
Dunno, I can't even tell them apart at this point.
Which one do you think is the best so far?!
You're gonna taste every single one of them!
It's far from over!
Mizuki!!! You are softer than melted ganache!!
And you don't need to be so fired up about this either
I don't need this much "love"
They're filled with love, you know!
These are Valentine's chocolates that I give you a little beforehand

My enemy is none other than Kurosawa!
Who kows what kind of ridiculous chocolate she's gonna make!
Come on. Eat. Me.
Kurosawa Yurine. Scale: III

Did the purpose of Valentine's day change lately?
We're going full throttle!
And this time, she will have no choice but to acknowledge her defeat!"



Oh, but I'm not doing this to please her
She'll be happy no matter what you give her, I tell you



To bake the ultimate chocolate!
I do this for my own sake...

It reminds me of how you were.

How nostalgic...
Making chocolate to share with our senpais.
Choco-late, huh... We did that too, didn't we.

Because I made only one!

Erm... This is for you, Nikaidou...

But you were so cute, back then
Well it was back then!
We're gonna be late!
Hh!

You were so cute back then...
But now you give me chocolates like nothing. It's no fun.
Really ! prefer young and innocent girls after all.
Bye

MOE!!
CAN WE START OVER?! (THE CHOCOLATE EXCHANGE)
Did they move on to...?
What kind of weird stuff went through your head again...?
But I agree that we should change our habits or we'll grow tired of them
I'm looking forward to next year

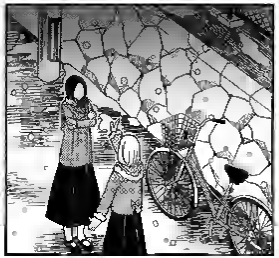
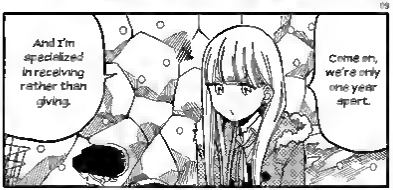
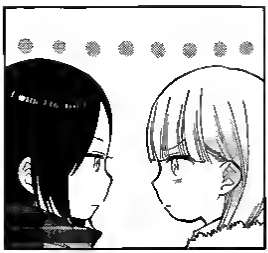
I do, thank you.
What, you don't know about Valentine's day?
Really?
Why?



But why should I give you chocolate?
And anyway, aren't the juniors supposed to give it to their seniors?



Come on, we're only one year apart.
And I'm specialized in receiving rather than giving.



Well if you give me one, maybe I'll be kind enough to give you one back.
You should have one or two on you, right?

You had made chocolate for the whole class, after all.

If I had to guess, I would say...
This is the god of chocolatiers!
I did it...
You were fired up and trained day in and day out.
Mizuki
To make better chocolate than mine and make me acknowledge my defeat.
But since I offered you chocolates bought in a store, you're now too afraid to give me the ones you worked so hard on
This thing will be no match. Did I overwork myself for nothing.
Or something?
This thing
Anyway, I would love to have a taste of your chocolate.
Don't...
